Tuscan® Bianco

Tuscan® Sandstone  
A New Zealand favourite

FLOORING SOLUTIONS

A pale antique white with soft grey tones, Tuscan Bianco® adds an elegant, classical look to formal, traditional homes, but is equally suitable for enhancing clean, modern designs.

Tuscan® Bianco is an ideal choice for flooring and paving, both inside and out. Its non-slip finish makes it perfect for wet areas, and as a safe paving surface around pools, and on steps and paths. The natural beauty of sandstone will enhance every room in your house, providing a visual connection from the entry to the kitchen and living spaces, and through to terraces and outdoor entertaining areas.

Not only does it have huge aesthetic appeal, but Tuscan® Bianco is also a highly durable and hard-wearing flooring option that requires minimal maintenance. Tuscan® Bianco is a versatile material that can be carved and shaped to achieve detailing such as bull-nose edging on stairs and as cappings. Because it remains cool underfoot, Tuscan® Sandstone is ideal for use around pools and on patios.

Tuscan® Sandstone is available in a large range of sizes, textures and shades.

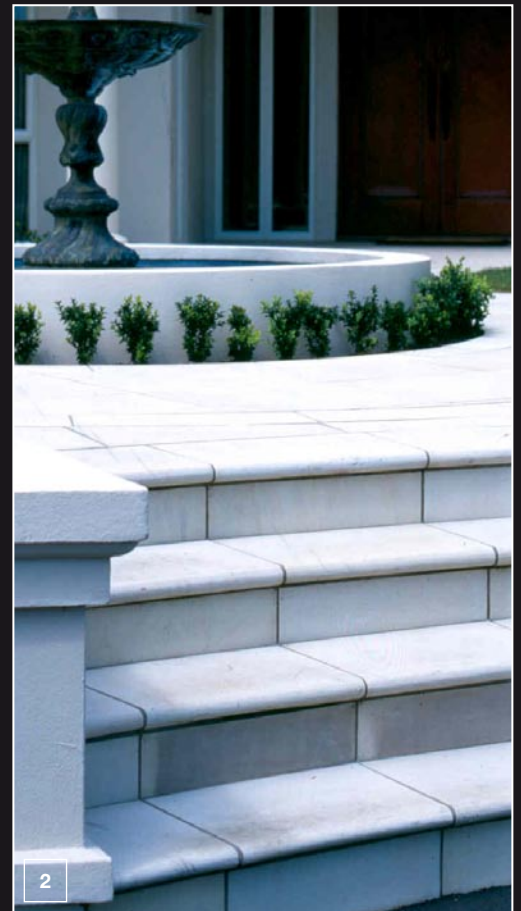

- 1 Tuscan Bianco is ideal for paving around pools**
- 2 The stone's white tones and grey veining add a touch of sophistication to exterior paving**
- 3 Tuscan Bianco is cool underfoot on a hot summer's day**
- 4 Round columns and Tuscan Bianco paving bring elegance to this covered patio**
