Poolburn Schist

Stonecladd™  
Innovation making stone walling affordable

WALLING SOLUTIONS

Poolburn Stonecladd™ contains a warm mix of earthy, burnt-brown tones with beige accents and copper highlights, which give this stone exceptional richness and visual interest. Poolburn works well combined with other natural materials such as timber, or contrasted with modern finishes like glass and stainless steel to emphasize its warmth and texture.

- 1 Schist elements create continuity throughout this home
- 2 Schist is an ideal option for columns
- 3 The warm earthy tones of Poolburn schist suit any décor
- 4 Schist brings texture to modern designs
