Efesus™ Travertine  
European sophistication

FLOORING SOLUTIONS

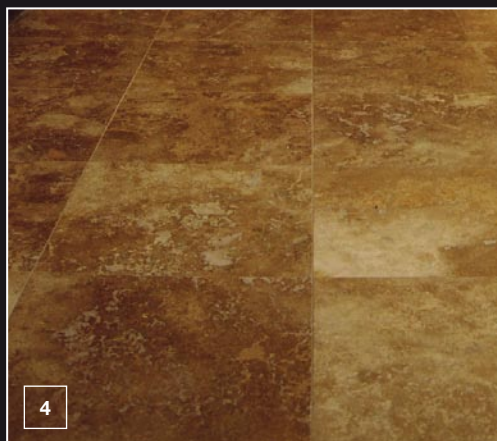

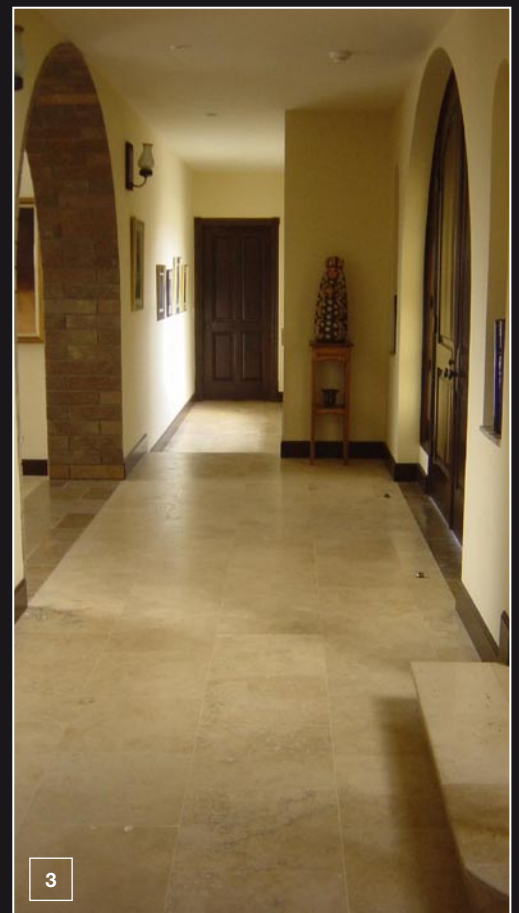

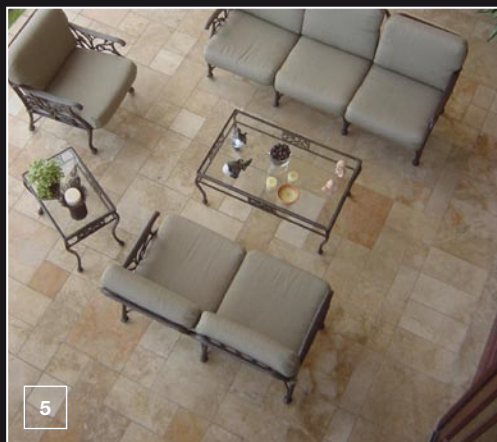

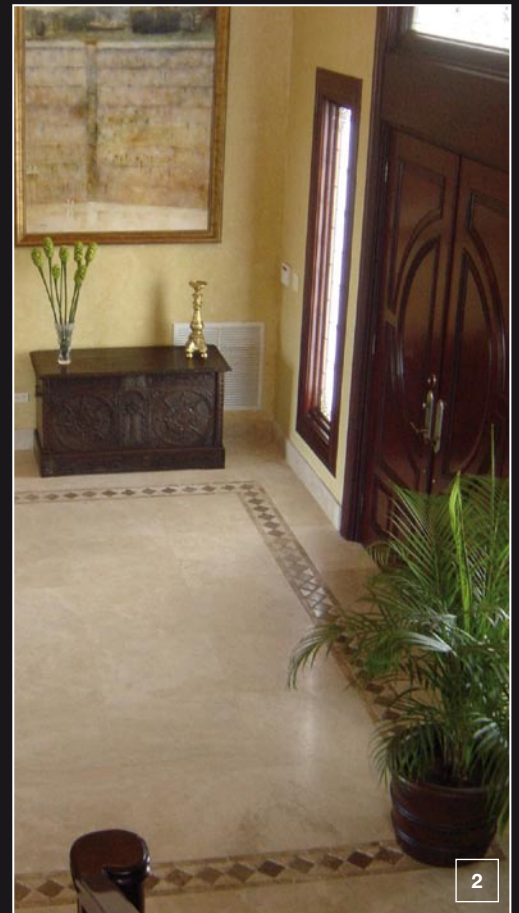

Travertine has been quarried and used as a construction material since ancient Roman times. The Colosseum in Rome, Sacré Coeur Basilica in Paris, and countless Renaissance and Baroque churches are all testament to its great durability and strength – not to mention its timeless beauty.

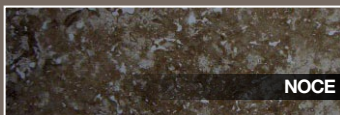

Efesus™ Travertine from Original Stone allows you to make the most of this stone's visual appeal and hard-wearing qualities. An ideal option for flooring and walls in kitchens and bathrooms, it's also suitable for bathroom vanities.

With its selection of shades, from light cream to brown and warm red tones, Efesus™ Travertine will complement any décor and design. It comes in a variety of finishes to achieve the look you're after, including honed, polished, tumbled, chiseled, filled and unfilled.

- 1 The rich tones of Noce Efesus Travertine add warmth to this bathroom
- 2 This simple, elegant entrance features Travertine flooring
- 3 Travertine flooring creates impact in any home
- 4 Warm copper and honey tones give Noce its distinct appeal
- 5 The perfect flooring for a relaxed entertainment area
